With the month of March just around the corner we are preparing for this to be another great season here at the Cornwall Golf and Country Club. With each new season comes change and once again we are making a great addition to our Club. We are proud to announce that:

Mike Touchette will be joining us as our Head Golf Professional

Another change that is coming this Spring will be to the Hole in One insurance that is managed in the office. With all the new drinking laws we wanted to ensure that we were being responsible so we have made these changes to reflect that. The lucky member, who is fortunate enough to have a HOLE IN ONE, will have the total amount of insurance money collected to use at their discretion to purchase drinks only for that day only. This amount will be in a Hole In One house account. Once the amount on the account has been depleted the account will be closed. This account will only be valid on the day of the Hole in One, so enjoy and good luck. The total amount will cover drinks, taxes and gratuities.

With plenty of snow cover on the course right now we are hoping to see a nice slow melt which should leave us with another good start to the season. With very hard winds this winter we will have plenty of debris to remove this spring so again I will be asking for some help in the up coming spring.

I would like to thank Carol Ann and Archie's for the great help and support here at the Club last season. It was a good experience for sure. Since Archie's will not be returning to the Club this season and you may still have gift certificates for Archie's, Carol Ann has informed me that you will be able to redeem them at Archie's this Spring.

Just a friendly reminder that we will be opening on the 17th of March for St Patrick's Day celebration. The doors will be open at 11:00 am and the live music by Bob and Duck will be starting at 5:00 pm. I hope to see everyone here.

Thanks,
Lloyd Jollota, General Manager

President

I'm very pleased and honored to be chosen as the President for the 2011 season.

I'd like to take this opportunity to thank Danny Aikman for his leadership and dedication towards this golf course.

Last year, amongst the Board members, decisions were made in order to further our success and future here at the Cornwall Golf and Country Club. With the appointing of Lloyd Jollota as our General Manager, he and his staff are determined to make this year triumphant for not only the Golf Club but for you, the members; with many more to look forward to.

I would also like to remind you that all of our Board members are volunteers who are as devoted to the sport as you are and put in many hours to ensure a good time is had at our Golf Club. As always, your comments and suggestions are welcome. If you may, please address them, by email, to info@cornwallgolf.com.

And don't forget, the best way to promote our golf course begins with you!

Pierre Bissonnette
President

Club Captain

The golf season is just around the corner and it's my pleasure to serve you as Club Captain for another season.

I wish to thank all the volunteers who assisted me last year. It is very much appreciated. Thank you to those who have agreed to help again this year, thus making my position so much easier.

We will be offering the Junior program again this year. Junior and Child membership automatically qualifies the youth for our program and it is also open to non-members at \$50.00. The age for this year will be 7 to 18 and the participants that were here in 2010 will have priority. Sylvain Lacelle and I expect to have 100 kids; so sign up early. Please promote this to your friends and family. It is very important for us to have 30 volunteers to run a good program, so when the golf course opens we will be posting a volunteer sheet for the members to sign up. This year, when the program starts, the course will be closed completely until 11:00 am on Mondays.

The Board of Directors has approved the following motion:

Any member who does not cancel to the Club Captain (not the office or Pro Shop) 48 hours prior to the tournament will automatically be charged the cost of that tournament. I can be reached at anytime either at home 613-936-2552 or cell 613-330-0771.

In 2011 we have Six (6) reciprocal courses that we have the privilege to play:

Brockville Golf & Country Club
Hawkesbury Golf & Country Club
Valleyfield Golf Club

Carleton Yacht Club
Outaouais Golf Club
Cedarhill Golf & Country Club

The agreement between all of us is basically the same, which is as follows:

Adult members only, No play till after 12:00 noon, Cost is \$30.00 for each green fee (plus applicable taxes), Power carts are optional, Tee times must be booked through our Pro Shop, Membership cards are required to identify yourself, Not valid for tournaments.

The Three Man Classic held on August 20, 2011 will have a different format this year which we feel will promote a bigger field, keep your eyes on the Bulletin Boards for further updates.

This year the Club will be hosting the "A" Intersectionals and the Border League, check those dates in the log.

I would like to wish everyone a great golf season and keep your head down.

Ray Champagne, Club Captain
