## **From the General Manager**

Well, if this is not one of the toughest springs in history! We are certainly getting the bad end of the stick this year. The golf course is going to take some time to get to its playing potential so I would ask that everyone please be patient because we can only control what we can.....

A very important note: we as a membership need to remember on a wet start like this it is very easy to take large divots and make large ball marks on the greens. So please remember to replace and repair the damage while playing. When the carts are out we ask that you please use your better judgement and try to refrain from driving on areas that are too wet or muddy.

The benches we had are no longer available to us at no cost and trust me they weren't worth paying for so we have some new benches on the way and they will be on the course as soon as they arrive. We are also waiting for a new longer pole for number 16 green as well.

Since we have had a very slow start to the season please try to stay in touch with the events and specials that are going on at the Club. We are looking to keep the participation numbers up so we can continue to offer these great deals. Let's hope that the weather will cooperate and we can get things back in motion soon and once again start to enjoy the golfing season.

So with all that being said I hope to see everyone on the course and I wish everyone the best for the rest of the season and bring on the sunshine and some roll.....Thanks,

Lloyd Jollota  
General Manager.

## *Leagues*

The Thursday Field Day gets under way on May 19<sup>th</sup> with a full schedule of events in which to participate every week. Thank you Sue Whittaker and Jean Hall for taking on this responsibility again this year.

Monday evening Pommier Twilight will have a 5:00 o'clock shot gun start on May 30<sup>th</sup>. Watch the bulletin board for the summer schedule.

## *Ladies Opening*

Well done Dawn McKeown for all your hard work and planning for this excellent kick off of the golf season.

Please see the write up in this newsletter for more details.

## *Rules Clinic*

Please take note of the Rules Clinic to take place on July 5<sup>th</sup>, at 6:30 for the benefit of us all. Golf is a game of many rules, best to be familiar with them to play the game properly.

It is important to sign up so the staff can prepare the lounge accordingly.

## **PRO SHOP NEWS**

What a slow start to the 2011 Golf Season! We can only hope that June will provide us with some warmer and drier golfing conditions!

The Pro Shop would like to remind everyone to come and check out all the new merchandise for 2011. We have the latest equipment from Titleist, clothing from AUR and Ben Hogan as well as many great accessories. Remember, just because you don't see it doesn't mean we can't get it!

Anyone interested in new golf equipment for the season should mark on their calendars June 22<sup>nd</sup> at 1pm when Adams Golf will be here to do a Demo/Fitting day. This is a great opportunity to check out the latest technology from Adams and give them all a try! Also if there is any other equipment from other companies that you would like to try please don't hesitate to see Mike to arrange a fitting.

This is just a reminder that club storage is now open for the season and it is very important that **all members remain out of the bag room!** Please let our attendants get your golf clubs and carts for you. It makes their jobs much easier when there is less traffic back there. Thank you.

Finally, the Tee-On system has done a great job in allowing all of you to organize your weekly games without having to call the pro shop every single time. Just remember that when adding fellow members in your bookings you must first add them to your favorites under preferences! This is important because if we don't do this then the Pro Shop must edit each booking to add the correct golfer (member type).

*Wishing all of you a great month of June on the links!  
The Pro Shop Team*

### *Hole in One*

The hole-in-one insurance is a mandatory fund that is assessed to every Bronze, Silver and Gold member on joining and then again on the achievement of a hole-in-one by any of the specified members throughout the season. When a member gets a hole-in-one, the member will have a bar credit in the amount of \$275 valid for that day only. The bar credit will be paid from funds that have been collected for this purpose. Social Playing members are welcome to join the Hole in One fund and may do so by notifying the office.

# Rules Clinic

Gerry Bower (Director - Rules) of the O.V.G.A. will be in our lounge to discuss **GOLF RULES** as well as a Q&A session.
