## **From the General Manager**

Well, we are finally starting to see some good weather and this means that we will be getting the course ready for spring play. The course has overwintered very well and I'm very pleased with the outcome.

**The Spring Clean-up has been scheduled for April 16th; an 8:00 am start for those of you that can make it. Thanks to those of you that are planning to attend.**

We have replaced all the batteries in our fleet of carts and have also added 18 new carts as well so there will be plenty of carts for everyone.

I would like to mention that we have added new programs within the memberships so check them out and pass the info to your friends. Please!!

We have lots happening this month so make sure to visit the Club soon so you can be sure you do not miss our featured events in April.

The ProShop will soon be open, so make sure to stop in and welcome back Mike and his staff.

Make note that we will be using the Tee-On system when we open so get ready to book your tee times.

I hope everyone has had a good winter and I hope you're ready for another great season at our Club.

See everyone soon, real soon.

*Lloyd Jollota, General Manager*

## President

Hello everyone and welcome back snowbirds!

I would like to start by sending my sincere condolences to the Tamowski Family for your loss. We will miss Hank on the golf course.

The recent weather conditions have been kind to our golf course, it sure looks like we could have an early start to our golf season. Once again, Lloyd will be looking for volunteers to help with the raking and cleaning of the winter debris on our golf course. So if you are interested in volunteering a few hours of your time, please contact Lloyd.

Once again, welcome back everyone and I'm looking forward to seeing you soon! Also, just a reminder, our annual general meeting ( AGM ) is scheduled for April 20, 2011 at 7:30 PM at the Club. Your thoughts and suggestions are always welcome, see you there.

And don't forget, the best way to promote our golf course begins with you!

*Pierre Bissonnette*  
President

## Club Captain

We will be in the swing of things very soon, so I want to wish everyone a great golf season.

All members should be aware that it is important to check all of our bulletin boards. There are new changes every year.

Our new scorecards will be ready soon. Thanks to all committee members for their time and important input. A special thank you to Hank Greggain for his additional expertise in the final touches.

**Great job Hank!**

A very special thank you to Tim Bertrand of CIBC Wood Gundy for his donation of \$500.00 to our Junior Program. **This is greatly appreciated.**

A friendly reminder that we will require 25 to 30 volunteers for this year's program.

As everyone knows for a Club Captain to complete his responsibilities effectively it is all about the volunteers behind him. I have been very fortunate to have had so many of you and again **Thank you ALL.**
